

Meeting Purpose and Outcome

The Burnett Stakeholder Reference Group will help provide Powerlink with valuable local input and feedback on our project development in the Burnett region.

The expected outcome is to meet the following objectives:

- to assist Powerlink to be aware of local issues related to transmission connection projects, and other projects as relevant, and that the interests of a broad range of stakeholders are considered;
- leverage community knowledge to fully understand potential local benefits and investment and how they can be captured;
- provide an opportunity for stakeholders to better understand the project, and others as relevant;
- provide a formal communication channel between Powerlink and stakeholders to disseminate and gather information.

Attendees: Powerlink Queensland representatives and reference group members (up to 16 members)

Date/Time: Thursday 27 April, 1pm – 2pm

Location: Microsoft Teams online
