

# Notice of Proposed Ministerial Designation of Land for Community Infrastructure under the Sustainable Planning Act 2009

## Transmission Network Extension in North West Surat Basin Blythdale, Fairview and Fairview South Substations Project

### Proposal for Minister to designate land

Queensland Electricity Transmission Corporation Limited, trading as Powerlink Queensland, proposes to make a request to the Honourable Mark McArdle MP, Minister for Energy and Water Supply, to designate land for community infrastructure under the *Sustainable Planning Act 2009*, chapter 5.

Powerlink Queensland invites submissions about the proposed designation.

### Description of the land to which the proposed designation applies

The proposed Ministerial Designation applies to proposed areas of land and access easements described in the table below. This land is currently owned by Santos GLNG and is located adjacent to its Blythdale, Fairview and Fairview South gas processing facilities in the area west of Wandoan and south of Injune.

Easement/Area Identifier	Easement/Area Plan Number	Lot Number	Survey Plan Number	Local Government
I	SP261935	94 and 95	WV456	Maranoa Regional Council
A	SP261935	94 and 95	WV456	Maranoa Regional Council
I	SP261934	5	WT217	Maranoa Regional Council

I	SP261936	8	AB200	Banana Shire Council
A	SP261936	8	AB200	Banana Shire Council

### Type of community infrastructure for which the land is proposed to be designated

The land is proposed to be designated for Powerlink's Blythdale, Fairview and Fairview South Substations Project. The project comprises construction of three 275/132kV substations and associated access roads in separate localities. The construction of each substation will include vegetation management and the installation of foundations.

In addition, the substation portion of the project will also include the installation of a control building, transformers, erection of electrical equipment and supporting structures and all ancillary works, including the installation of control and communications equipment.

This community infrastructure is described under Schedule 2, Part 2, Item 11 of the *Sustainable Planning Regulation 2009* as operating works under the *Electricity Act 1994*.

### How to view details of the proposed designation of land and development for the community infrastructure

The Final Environmental Impact Statement, otherwise known as the Assessment Report, prepared for the Blythdale, Fairview and Fairview South Substations Project provides information about the proposed designation of land and development for the community infrastructure. It may be viewed at the office of Powerlink Queensland, 33 Harold Street, Virginia, Brisbane; Roma library, 38-44 Hawthorne Street Roma QLD 4455; Injune library, Hutton Street Injune QLD 4454; Wandoan library, 6 Henderson Road Wandoan QLD 4419; and Taroom library, 24 Yaldwyn Street Taroom QLD 4420, between 11 July 2013 and 9 August 2013.
