

Notice of Proposed Ministerial Designation of Land for Community Infrastructure under the Sustainable Planning Act 2009

Wandoan South to Eurombah Transmission Network Project

Wandoan South to Yuleba North Transmission Line Project (Dinoun South to Yuleba North)

Proposal for Minister to designate land

Queensland Electricity Transmission Corporation Limited, trading as Powerlink Queensland, proposes to make a request to the Honourable Mark McArdle MP, Minister for Energy and Water Supply, to designate land for community infrastructure under the *Sustainable Planning Act 2009*, chapter 5.

Powerlink Queensland invites submissions about the proposed designation.

Description of the land to which the proposed designation applies

The proposed Ministerial Designation applies to easements and areas of land described in the table below. This land is located west of Wandoan, in the Western Downs Regional Council area.

Easement/Area Identifier	Easement/Area Plan Number	Lot Number	Survey Plan Number	Local Government
T	SP267091	2	AB78	Western Downs Regional Council
ST	DS-YN-0001	A	AP19889	Western Downs Regional Council
ST	DS-YN-0001	TEMPORARILY CLOSED ROAD		Western Downs Regional Council
S	SP267090	4	AB50	Western Downs Regional Council
R	SP267090	3	AB51	Western Downs Regional Council

Type of community infrastructure for which the land is proposed to be designated

The land is proposed to be designated for Powerlink's Wandoan South to Yuleba North Transmission Line Project (Dinoun South to Yuleba North). This project comprises construction of approximately 9km of double circuit, steel lattice tower 275kV transmission line. This involves vegetation management, installation of foundations, erection of transmission line structures, stringing of conductors and all ancillary and associated transmission line construction works including new access tracks and minor works.

This community infrastructure is described under Schedule 2, Part 2, Item 11 of the *Sustainable Planning Regulation 2009* as operating works under the *Electricity Act 1994*.

How to view details of the proposed designation of land and development for the community infrastructure

The Addendum Report to the Final Environmental Impact Statement, otherwise known as the Assessment Report, prepared for the Wandoan South to Yuleba North Transmission Line Project (Dinoun South to Yuleba North) provides information about the proposed designation of land and development for the community infrastructure.

It may be viewed at the office of Powerlink Queensland, 33 Harold Street Virginia QLD 4014, Roma library, 38-44 Hawthorne Street Roma QLD 4455 and Wandoan library, 6 Henderson Road Wandoan QLD 4419; between Thursday 6 March 2014 and Friday 4 April 2014.

A copy of the report in CD format may be obtained directly from Powerlink by calling the number below. Alternatively, a copy of the report may also be downloaded from the Powerlink website at www.powerlink.com.au (go to 'Projects/Southern/Wandoan South to Eurombah/Section 1').

For further information about the proposed designation

Any questions about the proposed designation of land and development for the community infrastructure should be directed to Michael Brown at Powerlink Queensland on FREECALL telephone **1800 635 369** (during business hours), fax **(07) 3860 2400** or at email address property.designation@powerlink.com.au

Making a submission about the proposed designation

Any person or entity may make a submission about any aspect of the proposed designation of land and development for the community infrastructure. The submissions should —

- be in writing, dated and signed by each person or entity who made the submission;
- state the name and address of each person or entity who made the submission; and
- state the grounds of the submission and the facts and circumstances relied on in support of the grounds.

Submissions are to be addressed to:

Michael Brown
Project Manager
Powerlink Queensland
PO Box 1193
VIRGINIA QLD 4014

and received on or before **5pm on Friday 4 April 2014.**

Any submission will be considered by Powerlink Queensland, and a response given to each submitter on the matters raised, before a report is given to the Minister for the Minister's decision on the proposed designation.
