

Powerlink & Townsville City Council Revegetation Initiative

Community Tree Planting Days

Please join Powerlink Queensland and Townsville City Council's Environmental Restoration Team for three upcoming community tree planting days.

Date	Location	Time
Sunday 22 April	Dalrymple Service Road – between Dee Street and O'Keefe Court, Vincent	8.30am – 10am
Sunday 6 May	Dalrymple Service Road – between Nathan and Dee Streets, Vincent	
Sunday 17 June		

Come along and bring your whole family together for a morning of fun tree planting activities, face painting and a free community sausage sizzle. About 250 trees will be planted at each event.

Please bring a hat, sunscreen, gardening gloves, water bottle and wear enclosed shoes. A free native plant sapling will be given to all volunteers to take home.

These events are part of a greening program being delivered by Powerlink and Townsville City Council. The initiative involves planting more than 2,000 drought-tolerant trees along Powerlink's transmission line corridor in Garbutt, Vincent, Heatley and Currajong. For more information on Powerlink's activities, visit www.powerlink.com.au or Freecall 1800 365 369.

For more information on the plantings, please contact Council's Community Environmental Restoration Team on 13 48 10 or email sustainable@townsville.qld.gov.au.
