

This slide pack is provided on the following basis:

- The slide pack was used to assist Powerlink Queensland present at the 2018 Transmission Network Forum on 7 September 2018. The slide pack is not a stand alone document. It must be interpreted in the context of the verbal presentation made on the day of the forum.
- Aspects of this slide pack are protected by Copyright law. The slide pack is provided on the basis that it can only be used for internal review purposes. No part may be reproduced or reused outside of the recipient organisation for any purpose whatsoever without the express consent of Powerlink Queensland.
- While care was taken in preparation of the slide pack, and it is provided in good faith, Powerlink Queensland accepts no responsibility or liability for any loss or damage that may be incurred by any person acting in reliance of the slide pack or assumption drawn from it, except to the extent that liability under any applicable Queensland or Commonwealth of Australia statute cannot be excluded.

Breakout Session 3

Transmission Network Vision

Outline

- Case for the Network Vision
- What is it?
- Methodology
- Overview of future trends
- Workshop activity
- Playback

Future trends

Decarbonisation

Decentralisation

Electrification

Digitisation

Question 1

What trends are you seeing that impact your market and customers?

Question 2

If these continue, what could your business look like in the future?

Question 3

What would help you unlock the future and what role might Powerlink play?

What did you find?

Want to be further involved?
