## Overview of working group

The purpose of working group:

- Develop a high level of understanding of the proposed PTI process as defined in the draft Renewables Transformation Bill
- Inform principles &/or outcomes of 'effective' engagement and information disclosure for PTI investments
- Identify stages at which engagement and/or information disclosure is relevant and to generate preferred option/s:
  - o What type/s of engagement with whom
  - o What information and how this is published

Target outcomes

- Documented process of engagement / engagement option(s)
- Framework for information to be disclosed at relevant points in the PTI process
- Across the above two items - approach for flexible application of these

## Agenda covered

Section 1 – design of the engagement, overview and clarifications (20-30mins)

Section 2 – Introduction to proposed high level PTI model and open discussion (60mins)

## Targeted outcomes from the meeting

- Design of the engagement discussed and clear
- Collective understanding of key information
- Initial perspectives on key questions to support design of detailed sessions ahead

## Additional documentation
