Who is Powerlink Queensland?

Powerlink Queensland is a Government Owned Corporation that owns, develops, operates, and maintains the transmission network in Queensland.

We connect Queenslanders to a world-class energy future, providing electricity to more than five million Queenslanders and 253,000 businesses.

Who is the program open to?

We welcome applications from tertiary undergraduates in:

- engineering – including electrical, power, mechatronics, civil, software, telecommunications
- business/commerce/accounting/economics
- mathematics/applied science
- spatial science, analytics, GIS
- information technology, computer science, data science
- urban development/property
- environment engineering/environmental science.

How long is the program?

We offer a 13-week program over the summer university break. While it's not guaranteed, a lot of our students are offered opportunities at Powerlink after the program ends.

Do I get paid?

Yes! You'll be paid competitively, according to your year level and study progress. Reach out to our recruitment team to find out the details of your offer.

What will I gain?

- Real world experience with a direct involvement in the once-in-generation transformation of the energy sector.
- Build your professional networks and relationships with down-to-earth people who are passionate about sharing their knowledge.
- If you qualify, you'll also get automatically shortlisted for our Graduate Program Assessment Centre.
